Note: Comparisons based on internal analysis of publicly available information as of 10/23. Actual offerings may vary.

[Refer to full disclaimer section on backside](#)

BGM = blood glucose monitor; BPM = blood pressure monitor; CGM = continuous glucose monitor

*The Onduo app is not intended as a substitute for individuals' primary care physicians' care or guidance. Onduo members must discuss their treatment plan with said providers before making major lifestyle changes.

**Not intended for use as a medication reminder system. Members should defer to their prescribing physician's instructions and adjust their in-app medication list per wrong notifications.

Disclaimers: Onduo offers certain care management and coordinated clinical care programs for eligible individuals. Onduo LLC and a network of affiliated professional entities (collectively, "Onduo") collaborate to offer the services. Onduo services are meant to be used in conjunction with regular in-person clinical services and not intended to replace routine primary care. To preserve member privacy the people pictured are not actual Onduo members.
